Agricultural Fungicide

This new video shows new insights into the post-application movement of metam products in soil. [CLICK HERE](#) to see how growers are maximizing their ROI in SECTAGON-42 and SECTAGON-K54.

## YOUR REGIONAL NOVASOURCE REPRESENTATIVES

SEND JASON OR BERNARD AN EMAIL TO SCHEDULE A PERSONAL VISIT OR CALL

### Jason Miller

**Northern California (Fresno & north) + Nevada**

Jason is available to work with you to provide insights into the safe use of all pest management products in the NovaSource portfolio, and to facilitate ordering and delivery of the NovaSource products you need.

Although new to NovaSource, Jason is no stranger to distributors, retailers and growers in his region. During his career, he has worked for a variety of agribusiness companies in the San Joaquin Valley, and he will assist you in any way he can to plan and implement your pest management programs.

He is a licensed PCA with an MBA from the Craig School of Business at Fresno State and a BS degree in crop science from Cal Poly SLO.

Jason welcomes your email or call:

[Jason.Miller@tkinet.com](mailto:Jason.Miller@tkinet.com) | 559-285-3475

### Bernard Olsen

**Southern California (South of Fresno) + Arizona + New Mexico**

Bernard brings 30 years of experience in pest management to the NovaSource team and he is ready to work with you.

He has been a CAPCA member for 20 years and is a former member of the San Diego County CAPCA Board. He is also a past president of the San Luis Obispo County Farm Bureau.

Bernard is a fifth-generation Californian whose family has been involved in agriculture, farming and ranching for more than a century.

A licensed PCA with decades of experience in consulting, research and pest management, Bernard earned a degree in agricultural business management from Cal Poly SLO.

Feel free to contact Bernard by email or phone:
